Reach out to attendees and schedule meetings, extend yourself for extra time and/or attend the sessions.

Booth Display Details

The exhibits, poster sessions, and coffee breaks will all take place in the Exhibit Halls 1 & 2. Booth floor/space assignments are determined by show management based on the date and order that space contracts were received.

Please Note:

Housing poachers are companies offering discounted hotel rates and may claim to be working with the Optica Quantum 2.0 Conference. Some companies may be reselling rooms they have secured from another source. They may require fully pre-paid, non-refundable rates, subject to steep change fees.

Show Management has NO affiliation with these organizations and in no way endorses their services.

Reservations made through these "pirate" agencies or companies will be at your own risk. These companies are contacting you by phone (and in some cases email). Please note that the Optica Quantum 2.0 Conference does not provide them with any contact information.

If you are contacted by any non-official vendors, always ask them to send you details in writing and please provide exhibits@Optica.org with the details regarding these calls or emails. We will follow up aggressively with them. This includes outside companies offering hotel rooms, listings in show directories as well as more standard items for your booth such as A/V or internet.
